## **Department Highlights & Accomplishments:**

During the 4<sup>th</sup> Quarter of 2022, the East Grand Rapids Department of Public Safety was able to:

- Send Officers Dan Olney and Dan Lobbezoo who graduated from the 40-hour Kent County Crisis Intervention Training Program on October 7. The Department now has 23 sworn crisis intervention specialists.
- Congratulate Public Safety Clerk Dave Van Houten on his official appointment to the LERMA (Law Enforcement Records Management Association) Board of Directors on Monday, October 10.
- Sponsor the “8<sup>th</sup> Annual Public Safety Day” on Saturday, October 22. “Riding for Ryan” – a local nonprofit that promotes bicycle safety of young riders through visibility and awareness – was also on-site to pass out bicycle safety flags to kids in partnership with the East Grand Rapids Public Safety Department. Once again, the event was extremely well attended.
- Appoint PSO Troy Brown as the new school liaison/community officer position on Monday, November 14.
- Conduct annual firearms recertifications with the patrol rifle, shotgun, and sidearm on November 10, 17, & 18. All sworn members successfully qualified.
- On Thursday, December 1, conduct an external audit of the “Property Room” in accordance with our Property & Evidence Management policy. Sergeant Jeremy Walter (Wyoming P.D.) conducted the audit. There were no issues with the audit. Public Safety Officer Beth Moore has been our property control officer for numerous years. I want to acknowledge Beth’s work and thank her for maintaining and organizing the Property Room in an outstanding manner over the years.
- Caroline Ford, a former dispatcher from Barry County, began employment as the new public safety clerk on Monday, December 5.
- Host the “Final Onsite Assessment” for Michigan Law Enforcement Accreditation on Tuesday, December 13. The Department will formally be reaccredited at the Michigan Association of Chiefs of Police Conference at the Amway Grand Plaza Hotel in February of 2023. D.Sgt. Scott Kolster and PSO Cory Buter did an outstanding job to ensure our reaccreditation.

## Traffic Stop Data Collection

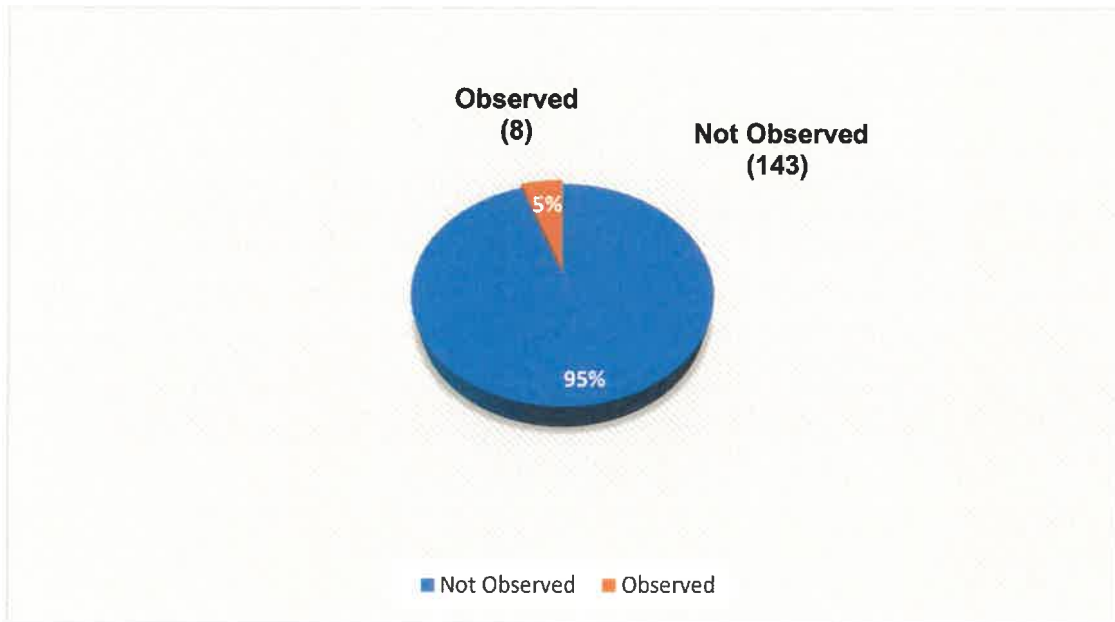

### DISCLAIMER:

The City of East Grand Rapids and the Department of Public Safety are committed to unbiased policing and the fair, impartial and equitable treatment of all people. Department policy strictly prohibits stopping or detaining any person based on race, ethnicity, traits, or lifestyles that may cause an inappropriate bias response or unjustifiable or unlawful discriminatory action.

The Department will report quarterly raw numbers for: (1) vehicle stop categories; and (2) crash incidents without analysis. The reader is cautioned not to draw any definitive conclusions at this point. There are many factors that must be considered to develop a comprehensive understanding of what is occurring when it comes to vehicle stop activity. Research has clearly shown that associated data sets such as geographic location, reason for stop, whether a search occurred, and the result of the traffic stop need to be factored into the analysis.

When it is determined that enough data is collected by several independent research firms/experts, the Department will develop an RFP for an independent research firm/expert to review and conduct advanced examination and analysis of our traffic stop data, including all relevant data sets. Once the study is complete, it will be shared publicly.

**Pre-Traffic Stop Observation Data  
August 20 – January 16, 2023:**

**Commentary:**

On August 20, 2022, all public safety officers were required to enter relevant traffic stop data into the Veritone system. Officers had to record when they could reasonably determine the race and sex of the driver. 95% of the time, officers identified the violation – reason for the stop – before they could identify the race and sex of the driver.

When reviewing the figures above, please keep the following in mind: Arrests represent the actual number of individuals arrested. An individual may have been charged with multiple offenses. The reader is cautioned against comparing arrests and offenses, as many times they do not occur in the same quantities.

**Commentary:**

Officers will generally contact at least one individual during a call for service, but have numerous contacts with citizens that are not documented throughout the course of a 24-hour shift. Calls for service include all contacts with individuals that would involve an arrest or a Response to Resistance. Use of force is a rare occurrence in East Grand Rapids. No significant trends.
